

## **JUNIOR MARKETING MANAGER** MINERALS [M/F/X]

SALT Minerals GmbH is a young, fast-growing company with international activities in various application areas. We have a large variety of mineral salts that we process or trade into customised solutions.

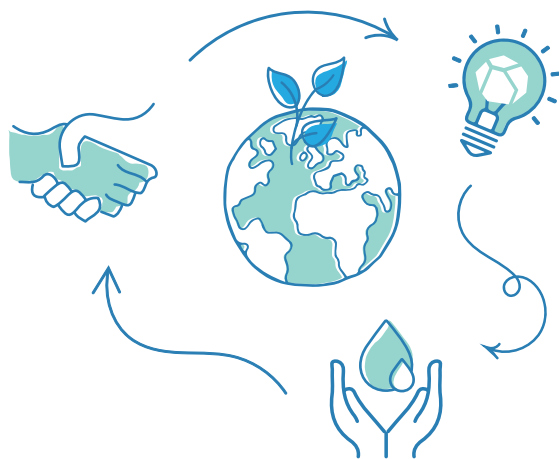

We started with **BUILDING A NEW COMPLETELY SUSTAINABLE MODEL FOR LIVING** with focusing us on the desalination of seawater. In favour for this SALT Minerals collaborate closely with international teams and guiding technologists to produce commercially suitable mineral grades. Through this renewable minerals we get clean water.

This next step is important to build a sustainable future!

### **YOUR SKILLS**

- Bachelor's or Master's degree in natural science or business, marketing preferred.
- Ideally you have several years of experience in responsible positions in the raw materials industry / chemical industry / trade in an international context.
- As a strong communicator, you have the necessary drive of bite, assertiveness and the necessary negotiating skills.
- You have a sound knowledge of MS Office and the usual IT programmes (including SAP).
- Very good knowledge of English and ideally another foreign language are an advantage.
- You have a class B driving licence and are willing to travel.

**Young professionals are welcome to apply!**
